Dear Members of the 2018 Cohort of the Junior Faculty Writing and Creative Works Summer Academy,

**The Orientation and Pre-retreat Meeting is on Monday, May 21, 2018, in the Gallery Lounge of the Blackburn Center. We will begin the program promptly at 9:30am; however, we will be hosting a hearty breakfast for everyone beginning at 8:45am.**

Please feel free to join us at that time for what should be a nice occasion to get together. We will then begin the orientation at 9:30am and our program will end at 12:30pm.

Attached are a medical form for you to complete and bring with you on Monday and a list of Frequently Asked Questions. You will have many opportunities to ask additional questions on Monday.

Thank you for your patience and your compliance with all of our requests to date. We look forward to seeing everyone on Monday for breakfast.

Please do not hesitate to contact me if you have any questions. Have a wonderful weekend!

Best,

Jacqueline Young
