To:Johnson, Shameka N <shameka.n.johnson@Howard.edu>;

Good afternoon Shameka,

[Our School Resource Officer Conference advisory committee liked your presentation proposal on Understanding and Affectively Addressing Communicative and Cognitive Disorders in School-Age Minority Males and would like to see it on this year's agenda for the conference schedule June 12-14 in Appleton, WI.](#) You had indicated travel reimbursement would be preferable. However, our budget is limited at this time due to it being a cost recovery event. Would you possibly still be interested in presenting at the conference if we are unable to cover your travel costs?

If Howard University wanted a vendor table at the event to display any resources or services, we would be happy to offer you a free table in lieu of inability to cover travel expenses.

Please let me know if you have any questions or need any additional information.

Thank you,

Lynn
